**Date of copyright or last update (M. D. YYYY)**

Look for publication date near the title or a "last update" date at the bottom of the page. If citing an entire website or scholarly project, look for the "last update" date on the home page of the site. If no date can be found, you can provide the most recent copyright date if it is indicated.

**URL**

http://www.careercruising.com

The 7th edition of the MLA Handbook does not require a URL. Should I still provide one?

**Most recent date of access (M. D. YYYY)**

January 15 2016
